### ANNUAL CMM CHAPTER PICNIC

A beautiful day amongst CMM Chapter compatriots and their families was spent on July 14<sup>th</sup>. As always, there was more food than people to consume it and leftovers were brought home!

Events like the Chapter Picnic are important as many of us toil away on various SAR projects, committees, offices, etc. and it is nice to gather amongst one another and do nothing other than relax, tell war stories, etc.! For those of you who decided to make an appearance, **HUZZAH** and hats off to you!

### JULY 4<sup>TH</sup> CULPEPER EVENTS

Thanks to the appearance of the Color Guard, this year marks another successful feather in the Culpeper Minute Men Chapter's tricorn! Every event in which the Chapter participated resulted in a grand occasion thanks to the brilliance of the Color Guard's movements led by Commander Francis Lay.

Also, the Chapter donned its secret weapon in the Lacey Brothers (Alan, Lon, III and company) who always provide not only fife & drum melodies, but also the face of youth!

Compatriots Jim Bayne and Larry Alexander are to be commended for the use of their vehicles which were transformed into SAR parade floats.
