PRESIDENTS CORNER:

Hear Ye, Here Ye!

The Chapter's business for 2008 is almost completed! November's meeting turned out to be a huge success! The goal of reaching a quorum was met; we elected our 2009 officers, endorsed two candidates for the 2009 NSSAR offices and added two members to the roster! A huge welcome goes out to the Chapter's newest inductee, Donald McCabe as well as dual member, Marc Wheat who was our guest speaker and expert on the Germanna Colony! I have been working on the 2008 Annual Report throughout the year and it will soon be ready for submission to VASSAR. Our editor informed me to be brief due to the enormous amount of information and images so I will close for now. Happy Thanksgiving, Merry Christmas and Happy New Year!
