AN APPEAL FOR A CHAPTER SECRETARY

Does this issue of the *Muster Call* appear as if something is missing? Where are the words that describe what has transpired within the last month? The Chapter Secretary is the eyes and ears of the Chapter.

Due to many complicated issues which include but are not necessarily limited to chapter expansion, loss of support, etc., the Chapter has absorbed a blow in manpower that has almost been endured with the exception of the Office of Chapter Secretary.

This very important position is tantamount in keeping the Chapter organized and informed. For any compatriots who have considered becoming an officer in the Chapter but has not done so, NOW is the time to step forward to contribute your time.

Please contact the current Chapter President, Dominic Lay or President-Elect, Paul Bess if you are willing to contribute any efforts whatsoever in filling this void that our Chapter really needs.
