

Culpeper County. Mike suggested we work with the Col. Fielding Lewis Chapter of the Fredericksburg area in getting her grave marked, as well as with the DAR!

Mike needs help in getting narratives written up about some of the 2200 Rev. War patriots buried in Virginia so that a document can be published and placed in all the libraries of the state. Mike is going to write up a process outline and get it out to the SAR members.

**JrROTC Chair. Don Jennings** Don reported that there were three high schools in our chapter area in which JrROTC Cadets were selected to receive the JrROTC Medal and Certificate. Francis Lay presented the award to Daniel White, Orange County High School on May 22<sup>nd</sup>. Jerry Hubbard presented the award to Kyle Corle, Eastern View High School on May 29<sup>th</sup>, and Don Jennings presented the award to Michael Bednar, Liberty High School, Bealton, VA.

### **NEW BUSINESS**

Mike Lyman raised the question, “Are we going to commemorate the 35<sup>th</sup> Anniversary of the chapter which was chartered in 1974?” Discussion followed and it was suggested that a committee be formed to recommend what we should do. This would include a press release to the community, include a history of the chapter, list the past presidents and their dates of service, and duplication of the charter document. Gar Schulin volunteered to head this committee and report back to the executive committee and key committee Chairman. Jerry Hubbard said he would help.

### **SPEAKER**

Lon Lacey, Jr. Topic: “The Lacey Family Revolutionary War Ancestors”

Lon gave an excellent presentation on his ancestors, the Laceys, the Pinnils, the Whilhoits and others. They lived in Culpeper (Madison) County, and Kentucky and Illinois. They served as privates and officers, He had great photos of their gravesites – some well maintained and others not! He was very proud that he had shown his sons where his Rev. War Ancestors were buried.

Thank you, for sharing with us!

**50/50 Raffle;** Dotty Lay won the raffle. \$30.00 went to her, and \$31.00 went to the CMM treasury.

President Francis Lay thanked everyone for coming and so exuberantly participating in the meeting.

Lon Lacey, Commanding and the CMM Color Guard retired the Colors
