Yorktown Victory Day Celebration
225th Anniversary Program

VASSAR has reserved a block of rooms at the Crown Plaza Williamsburg at Fort Magruder. Specific information, etc. can be accessed at: <http://www.sar.org/vassar/yorktown225.pdf> ; or go to: <http://www.sar.org/vassar/> and click on [Yorktown - 225th Program - Information and Reservations](#) to get to the PDF file containing the information/directions.

In and around Culpeper

We are going to a Parade! CMM will again be represented in the Culpeper 4th of July Parade.

We will have a float, a drummer and a fifer to lead the way, and the Color Guard. A few of our ladies will also be with us in period attire.

Also on the 4th, we are planning for a reading of the Declaration of Independence on the green at the Culpeper Courthouse in the early afternoon before the parade. The Town Manager seems enthusiastic about the idea, and more details will be forthcoming once they have been firmed up. We could use some friendly faces in the audience; and it would be nice to have several more supporters in period attire. If you've got them, wear them!

Our annual picnic at Mountain Run Lake Park is scheduled for 8 July; we hope you can make it.

NSSAR Needs YOUR Outreach Response!

We know that some of our dual members have responded through their home Chapter, but if YOU haven't responded, please make this small effort to do so.

The CMM Chapter is well known as the best Chapter in VASSAR; and we were surprised when we recently received a report that only 17 of us have responded to the OUT-REACH Program's request for moral support. All they are asking us to do is fill out the form that says we each support the programs of the National Society of the American Revolution, and that we believe our educational outreach and youth recognition programs are important to the future of this Nation.

Surely that is the case for every one of us in the Chapter! We cannot believe that any of us disagree with that idea! If you are one who hasn't yet responded, please go to the web-site:

<http://www.sar.org/vassar/questionnaire.pdf>

and print a copy of the document, fill it in and mail it as directed. It will only cost you a 39 cent stamp, a little ink for the printing, a sheet of paper and one envelope.

We are actually being asked to do very little here.
