

*Resolved*, That it is our opinion that no friend to the rights and liberties of *America* ought to purchase any goods whatsoever, which shall be imported from *Great Britain*, after a General Association shall be agreed on, except such as are before excepted.

*Resolved*, That every kind of luxury, dissipation, and extravagance, ought to be banished from amongst us.

*Resolved*, That the raising sheep, hemp, flax, and cotton, ought to be encouraged; likewise all kinds of manufactures, by subscriptions, or any other proper means.

*Resolved*, That the importing slaves and convict servants, is injurious to this Colony, as it obstructs the population of it with freemen and useful manufacturers, and that we will not buy any such slave or convict servant hereafter to be imported.

*Resolved*, That every county in this Colony ought to appoint Deputies to meet upon the first day of *August*, in the City of *Williamsburg*, then and there to consult upon the most proper means for carrying these or any other resolutions which shall be judged more expedient for obtaining peace and tranquillity in *America* into execution.

*Resolved*, That *Henry Pendleton*, and *Henry Field*, Junior, Esquires, be appointed upon the part of the freeholders and inhabitants of this county, to meet and consult with such Deputies as shall be appointed by the other counties.

*Resolved*, That the Clerk transmit these Resolves to the press, and request the Printer to publish them without delay. By order of the Meeting,

JOHN JAMESON, *Clerk*.
