COMMEMORATION OF THE BATTLE OF GREAT BRIDGE

Larry McClanahan, Past President General, NSSAR, leads the CMM Color Guard and camp followers from the Culpeper Court House to the Railroad Depot where several historic presentations entertained the members of the public who were hearty enough to brave the cold weather.

The Commemoration of the Battle of Great Bridge in December of 2005 initiated by Jim Bayne was a high mark of the many achievements reached by CMM in 2005.

WELL DONE !

To Jim Bayne and SAR and DAR who made the Great Bridge Commemoration such a success.
